Let's go. Let's compete for something." But the best they could come up with was, look at the gold medal that we won today in that Olympics. That medal was in our hands. And we couldn't handle the pressure of holding onto what that was. Even now, a few of us are wondering what it'll take for us to beat that. But the thing is, I didn't really think about it that way.. Two months earlier, the American writer Larry Wilmore had done a good job of bringing his historical acumen to his subjects.
